G.O.A.T.

SIGNATURE COFFEE BLEND

Roast

Our G.O.A.T. espresso blend is a complex, sweet and clean espresso made from four quality coffees from our partners in Brazil, Colombia, Ethiopia and India.

Notes

Butter, Caramel, Cherry

This coffee showcases caramel and butter on the nose, with a clean cherry ripe aftertaste. It's a medium-bodied coffee with a light & fluffy mouthfeel. At higher brew ratios, the cherry ripe intensifies in the body with a complex vibrancy in the cup.
