## SPECIALTY COFFEE BLEND

---

### Roast

Our Rubix espresso blend is clean and nutty espresso that is familiar on the palette. It consists of a unique blend of high quality coffee from Colombia, Guatemala, India and Indonesia.

### Notes

Cocoa, Hazelnut, Praline

This coffee bursts with smooth berries, with milk chocolate in the body, mellowing out into a molasses finish. Delicious black and with milk, where spice and ginger will emerge into the nose.
