## SPECIALTY COFFEE BLEND

---

### Roast

Our Southern espresso blend is a dark, focused and smooth espresso inspired by traditional southern Italian flavours. It consists of a thoughtful blend of coffee from Brazil, India and Papua New Guinea.

### Notes

Cocoa, Hazelnut, Praline

This coffee features a full cocoa and hazelnut body, with a pleasant lingering praline and vanilla aftertaste. When served with milk, the cocoa notes soften into milk chocolate and the praline turns malty for a beautifully rich cup.
